

# CONSCIOUS BUSINESS WOMAN

## Manifesto

A Conscious Business Woman is a new breed of Entrepreneur

~ She integrates her spiritual beliefs into the way she conducts business

A Conscious Business Woman understands that when she is grounded and centered

~ She is trustworthy, present and connected to all of her resources

A Conscious Business Woman practices active listening

~ She never offers a solution until she has thoroughly understood the problem

A Conscious Business Woman is gracious and connected to her heart

~ She makes sure that each and every client and prospect feels seen and valued

A Conscious Business Woman is inclusive

~ She is aware that everyone wants to belong and to make a contribution

A Conscious Business Woman loves to collaborate

~ She knows that women are her allies, not her rivals

A Conscious Business Woman is committed to sustainable success

~ She builds mutually satisfying partnerships with her clients

A Conscious Business Woman believes in sharing the wealth

~ She is generous, philanthropic and reciprocal

A Conscious Business Woman is constantly adapting to the Shift of the Ages

~ She is flexible and open to the opportunities within chaos
